Create your own

family **Fire Escape Plan** using the space below. Make copies and place in all rooms of your home.

How to make a home fire escape plan:

- Draw a map or floor plan of your home and include all windows, doors and smoke alarms.
- Mark two ways out of each room.
- Choose a meeting place outside away from your home and draw it on your escape plan.
- Practice your plan at least two times a year and test your smoke alarms once a month.
